# Utkarsh Mishra

CEO at Floxus | President at EDC, BIT Mesra | Founder MeOW  
Ranchi, Jharkhand, India

## Summary

Founder of Floxus, an E-Learning platform dedicated to the transformation of the EdTech sector by implementing practical education through project-based learning instead of theoretical education. Currently pursuing Integrated MSc in Mathematics and Computing from Birla Institute of Technology, Mesra. President of EDC BIT Mesra, leading a team of 80+ members, managing them to maintain a good social media presence as well as an offline presence through conduction of events throughout the year. Have been involved in the organisation of E-Summit from the past three years, making it one of the largest summits to be organised in eastern India.

Have knowledge and experience of working with Adobe Illustrator, an amazing tool for vector designing. A Full-Stack development enthusiast learning both the frontend and backend side of development. A team leader with good public speaking, event management and crowd-handling skills.
